Armelle and Bernard RION, associated with their daughters Nelly, Mélissa, Alice and her husband Louis, are working on 7,5 hectares, mostly on Côte de Nuits. In the vineyard and in the wine making, the RION family works traditionally using the knowledge of the past generations.

AOC Côteaux Bourguignons Chardonnay « Magnatum »

White wine made from Chardonnay grapes.

This is a tiny vineyard (0.12 hectare) in the heart of the “Côte de Nuits” which produces every year few hundred bottles of upper quality white wine.

This vineyard is hundred-years-old and its roots are so deeply implanted in the ground that it is actually an incomparable wine. For this field and for each vineyard of the Domaine, the family RION makes a sustainable and rational agriculture without insecticide and herbicide.

After the hand-picking, we press directly the grapes. The wine will age in oak barrels during 15 to 18 months (50% new oak barrels) which guarantees a good ageing.

We will appreciate its delicate aromas of white flowers and spices and a hint of toffee and honey. It is a rich and round white wine. To be served for aperitive with foie gras or with a little piece of “Comté”. It could also supplement fish or white meats.

Ageing potential: To be enjoyed after 4 to 6 years.
