Armelle and Bernard RION, associated with their daughters Nelly, Mélissa, Alice and her husband Louis, are working on 7,5 hectares, mostly on Côte de Nuits. In the vineyard and in the wine making, the RION family works traditionally using the knowledge of the past generations.

CHAMBOLLE-MUSIGNY « Les Echezeaux »

Red wine made from Pinot Noir grapes.

This vineyard of 0.80 hectare is about 50 years old and is located in the south of the village of Chambolle-Musigny. This plot is well exposed and enjoys a beautiful sunshine. For this field and for each vineyard of the Domaine, the family RION makes a sustainable and rational agriculture without insecticide and herbicide.

After a manual harvest, grapes are destemmed and ferment in a cement tank during about 2 weeks. The grapes are treaded manually every day. When the fermentation is over, we do the pressing in a pneumatic press, afterwards the wine will age in our cellar in oak barrels (45% of new oak) during about fifteen months.

This wine offers aromas of red fruits but also of flowers like violet during its youth. All along his life, this wine will show all its delicateness. After 5 years, it will change to underbrush and mushrooms fragrances, and even a hint of leather. You can enjoy it with raw and cook fishes, white meats roasted or in sauce, and of course with cheese.

Ageing potential: 5 to 10 years.
