GRAPE JUICE OF ALIGOTÉ

Fruit juice made from Aligoté grapes.

The Domaine RION suggests you to discover its pasteurized white grape juice. The grapes come from an old vineyard of Aligoté (0,26 hectares) which is grown near the domain. 100% Natural, without coloring nor conservative and especially without added sugars, it is ideal to quench your thirst. You will appreciate it for the taste of grape juice freshly pressed.

Just like in the wine, grape juice is a protector of your cardiovascular system thanks to the flavonoids which it contains. But the grape juice also contains polyphenolics which protect the brain. Finally, the grape juice also allows to fight against the high blood pressure.

To consume without moderation, completely natural and without alcohol, the grape juice of Aligoté of the Domaine RION will refresh you at any time of the day, starting with breakfast.

Cocktail idea with alcohol: "Sparkling Grape":

1 dose of grape juice of Aligoté and 5 doses of crémant of Burgundy (Bourgogne).

Alcohol-free cocktail idea: the "Cocktail Nelly":

Mix of fresh litchis or litchis in can, grape juice and a little sparkling water.

Keep: 18 months after its bottling
