Armelle and Bernard RION, associated with their daughters Nelly, Mélissa, Alice and her husband Louis, are working on 7,5 hectares, mostly on Côte de Nuits. In the vineyard and in the wine making, the RION family works traditionally using the knowledge of the past generations.

VOSNE-ROMANÉE 1^{ER} Cru « Les Chaumes »

Red wine made from Pinot Noir grapes.

The plot “Les Chaumes” (0.46 hectares) is located just next to the Village of Vosne-Romanée, its neighborhood are the Grand Crus of Vosne-Romanée (a few meters under La Tâche). The vineyard is 85 years old and well exposed in the East direction. For this field and for each vineyard of the Domaine, the family RION makes a sustainable and rational agriculture without insecticide and herbicide.

After a manual harvest, the crop is destemmed then the full berries will ferment during 2 weeks in a cement tank. The grapes are crushed manually. After the pressing, the wine is put into oak barrels (60% of new oak) for about 15 months.

This wine is full and elegant, sustained by subtle tannins. In its youth, it is fleshy and very aromatics, with aromas of cherry and strawberry, then of underbrush with age. It will emphasize lamb or veal grilled or in sauce and all the fine cheeses.

Ageing potential: 10 years and more.
