Since 2018, the company Bernard Rion Sarl selects grapes from this appellation and vinifies it traditionally using the knowledge of the past generations. After a first beautiful harvest, the Domaine Armelle and Bernard Rion got a long-term lease in late 2019 to work the plots.

AOC PERNAND VERGELESSES

Les Boutières

Red wine from Pinot Noir

This wine is produced thanks to a selection of grapes from the plot "Les Boutières" for an overall area of 11 acres.

The crop is totally picked by hand with quality control directly in the vineyard and then fully destalked. The berries will then ferment in a cement tank for about 2 weeks. The grapes are trodden manually every day. After the press, the wine will age in French oak barrels (20% new oak barrels, 80% French oak 2 to 5 years) for about 10 to 15 months.

The nose starts on strawberry, raspberry and violet. The mouth is harmonious and full of roundness. It is a wine of pleasure, easy to drink during your aperitifs, it will also enhance your white meat dishes. Older, the wine will become spicier and will have underbrush flavors.

Potential of aging: 3 to 5 years
