Since 2018, the company Bernard Rion Sarl selects grapes from this appellation and vinifies it traditionally using the knowledge of the past generations. After a first beautiful harvest, the Domaine Armelle and Bernard Rion do the fermentation in the winery in Vosne Romanée.

It is in our winery, that the vinification transforms the grapes into a beautiful nectar. First the grapes are fully destemmed, then we do a traditional fermentation in concrete and open vats. After the press, we keep the wine in oak barrel of 228 liters for one year.

AOC Beaune

Red Wine from Pinot Noir grape

This Village appellation wine is made with vineyards located in Beaune.

With a rubis color, this wine offers some black berries aromas, such as cherry and redcurrant. In the mouthpalate it is smooth and fruity with a long finish.

From now, it will go perfectly with red meats and more traditional meals.

To be kept maximum 6 years.

Serve at 18°C (64.5°C)
