Since 2018, the company Bernard Rion Sarl selects grapes from this appellation and vinifies it traditionally using the knowledge of the past generations. After a first beautiful harvest, the Domaine Armelle and Bernard Rion do the fermentation in the winery in Vosne Romanée.

It is in our winery, that the vinification transforms the grapes into a beautiful nectar. First the grapes are fully destemmed, then we do a traditional fermentation in concrete and open vats. After the press, we keep the wine in oak barrel of 228 liters for one year.

AOC Volnay

Red Wine from Pinot Noir grape

Wine made with Pinot Noir grapes, coming from two plots of 50 years old in the village of Volnay.

This rubis and harmonious wine is full of color. It reveals some spices and red fruits aromas.

Its nose is greedy with some vanilla and violet. In the palate, it is also greedy, with lots of elegance, nice balance and delicate.

Serve with exotic or classic dishes such as roast poultry. Serve at 18°C (64.5°C)

To be kept maximum 5 years to appreciate its black fruits aromas.
