Since 2018, the company Bernard Rion Sarl selects grapes from this appellation and vinifies it traditionally using the knowledge of the past generations. After a first beautiful harvest, the Domaine Armelle and Bernard Rion do the fermentation in the winery in Vosne Romanée.

It is in our winery, that the vinification transforms the grapes into a beautiful nectar. First the grapes are fully destemmed, then we do a traditional fermentation in concrete and open vats. After the press, we keep the wine in oak barrel of 228 liters for one year.

AOC Bourgogne Aligoté

White Wine from Aligote grape

This wine is made with Aligoté grapes, coming from a plot located in Côte de Beaune.

The characteristics of the Bourgogne Aligoté are its freshness and its large aromatic palette composed of citrus, exotic fruits and white flowers such as acacia flower. In the palate, the wine is fresh and delicately lemony.

Serve with seafood, grilled fish, charcuterie and good terrines. You can also make very nice sauces with it. This wine is also the key to a perfect KIR: a Burgundian cocktail composed of 1/5 Black currant liquor and 4/5 of the wine Bourgogne Aligoté.

Serve at 12°C (53.6°C)
