

Bernard RION SARL

8, Route Nationale - 21700 VOSNE ROMANÉE
Téléphone +33 3 80 61 05 31 Email : contact@bernardrion.fr

Since 2018, the winery Bernard Rion harvests grapes from Côte de Beaune. To optimise the quality of all our wines, we sort out strictly the grapes, exactly the same way from our regional wines to our best appellations.

It is in our winery, in Vosne Romanée, that the magic happens. The fermentation will be with traditional handcrafts in oak barrels of 228 liters. After a family tasting to decide the perfect time, the bottling will be done in the winery. We want to be sure that our wines are ideally matured for your table!

Chassagne-Montrachet – En Pimont

White Wine from Chardonnay grape

This wine from chardonnay grapes comes from a single plot called "En Pimont". It is located above the village of Chassagne-Montrachet.

It is fine and elegant with white gold colours. You will appreciate its white blossom aromas. In the palate, we have a light minerality and a nice roundness which gives a nice balance. It goes well with shellfish, river or sea fish or with gratins with white sauce.

To be kept maximum 5 years to keep its freshness.

Serve at 12°C (53.6°C)
