8, Route Nationale - 21700 VOSNE ROMANÉE  
Téléphone +33 3 80 61 05 31 Email : [contact@bernardrion.fr](mailto:contact@bernardrion.fr)

Since 2018, the winery Bernard Rion harvests grapes from Côte de Beaune. To optimise the quality of all our wines, we sort out strictly the grapes, exactly the same way from our regional wines to our best appellations.

It is in our winery, in Vosne Romanée, that the magic happens. The fermentation will be with traditional handcrafts in oak barrels of 228 liters. After a family tasting to decide the perfect time, the bottling will be done in the winery. We want to be sure that our wines are ideally matured for your table !

# Coteaux Bourguignons - Magnatum

*White Wine from Chardonnay Grape*

This wine is produced with Chardonnay grapes coming from old vines from Côte de Nuits.

This fine and elegant wine is with white gold colors. You will enjoy its pear aromas.

In the mouth, you will get a nice rondness with a hint of ginger bread and spices.

We will advise to drink it with winter dishes with cheeses. Or also charcuteries or sea foods.

To be kept 4 years maximum to enjoy its fresh fruits aromas.
