

Bernard Rion

Jus de Raisin Aligoté

It is in the Domaine Armelle et Bernard RION, established in Vosne-Romanée since 1896 that the RION's family transforms precious grapes into delicious nectar. The Bernard RION family business proposes its Côte de Nuits and Côte de Beaune wines, as well as its truffles products.

Aligoté

Manual or mechanical harvesting

Recommended drinking: in the year

Its freshness

Completely natural, with no added colorants or preservatives, and above all no added sugar, it's ideal for quenching your thirst in complete serenity. You'll love its freshly squeezed grape juice taste.

Cocktail Inspiration

Serve chilled:

- 1/3 grape juice
- 2/3 Crémant de Bourgogne Brut
- A grape seed

Its benefits

Like wine, grape juice protects your cardiovascular system thanks to the flavonoids it contains. But grape juice also contains polyphenols, which protect the brain. Last but not least, grape juice also helps combat high blood pressure.

Pairing

All-natural and alcohol-free, Domaine RION's Aligoté grape juice will be perfect at any time of day, starting with breakfast.
